## Company Profile

**Ghosia Fans®**, a prominent electric fan manufacturer established in Pakistan in 1978, has achieved remarkable success through a commitment to quality, innovation, and sustain ability. With a product range encompassing ceiling fans, pedestal fans, exhaust fans, and bracket fans, the company has earned a strong reputation for excellence in design and customer service. Our global reach extends beyond Pakistan, with exports to countries as well.

**Ghosia Fans®** is characterized by a core focus on quality excellence, customer satisfaction, environmental responsibility, innovation, and the collaborative expertise of their dedicated team, making them a significant player in the international fan industry.

*Excellent Performance*
